Howdy Fellow Arrowmoon Scouters,

This month, I remembered to hand out the Roundtable Program Evaluations and one of the suggestions to improve roundtables is to send out notes for those who could not attend.

I only have email addresses for those who have attended at least once, so please forward this information to any unit members that might find the information useful. In addition, if you would like to forward me any contact information for fellow leaders, parents or den chiefs, please do so.

The focus of this meeting was a presentation of the Cub Scouts new delivery program. SHAC has a link that gives a description and resources to learn more:
http://www.samhoustonbsa.org/training/cub_scouts_2010.

In addition to this, we prepared for upcoming business of our next meeting in August. Attached is a handout that we asked unit leaders to fill out to help us help you to prepare for the fall School Night to Join Scouting recruiting rally. Please fill out the information and send to David Kocmoud (david-kocmoud@verizon.net) at your earliest opportunity. I would like a copy as well.

Finally, as your units finish planning next year's calendar, please send a copy to David and myself.

Thank you for attending.

Arrowmoon Cub Scout Roundtable Commissioner
