## 2009 Cub-n-Family General Information

- Check-In:** Check-in will begin on Saturday, October 17th at 9am.
- Refunds:** Sorry, there will be no refunds given for the registration fee.
- Registration:** Pre-registration is encouraged (\$8). On-site registration will be \$10. Each family should fill out a Cub-n-Family registration form and turn it into their pack, along with the appropriate fee. Make checks payable to your pack.
- Leadership:** All Cubs and Webelos must be under adult supervision at all times. No more than three Cub Scouts per one adult. Cubs and Webelos are only allowed to camp overnight with a parent or guardian. The welfare of the Cubs is the **DIRECT RESPONSIBILITY OF THE ADULT IN CHARGE** of their respective youth. Adults must attend activities with the Cubs. Again we stress that this is a family experience and not a Den Activity!
- Cooking:** Each family unit, den, or pack supplies their own food and drinks, depending upon how they wish to do this. Cubs should carry a canteen of water. Bring your cooking equipment. You may bring large BBQ grills and propane stoves.
- Water:** Water will be provided, however each pack must provide a water cooler at each activity site and keep it full. Each person should carry a canteen or cup for drinking purposes.
- Games:** Each pack should choose a game and must provide equipment related to the game. A list of games that are still available can be viewed at [http://www.arrowmoondistrict.org/Cub-N-Family-Pack\\_Games.htm](http://www.arrowmoondistrict.org/Cub-N-Family-Pack_Games.htm). Please let the Cub-n-Family Chairman know which game your pack has chosen so this web page can be updated.
- Camping:** Families should camp with their pack. Bring your own equipment for family camping. Port-a-potties will be provided. Bring your own toilet paper.
- Parking:** **All vehicles must be parked in the designated parking area.** Our goal is to provide a SAFE and FUN camping experience. Please assist us in this.
- Emergency:** There will be a First Aid facility. However, this is a family camping experience. Please pack your own first aid kit and be prepared to handle basic first aid.
- Sanitation:** The camp provides no trash or garbage service. Be prepared to haul out your own garbage. Please leave the area in better shape than when you arrived.
- Fires:** Charcoal or propane grills, propane stoves, etc. are allowed. No on-ground fires will be allowed at your campsite. Fires in a container above ground are allowed. Fires must be supervised at all times and enough fire water must be on hand to completely extinguish fires at a moment's notice. Please practice "Leave No Trace". That means there should be no evidence of your visit upon the ground.
- Not Allowed:** **Liquid fuels, fireworks, firearms, BB Guns, alcoholic beverages, sheath knife, pets, and SMOKING will NOT be allowed.**
